UPDATED

**THE MARKET HAS CHANGED... SO HAVE WE...
INTRODUCING THE NEW NGV TRANSPORTATION MAGAZINE
GIVING YOU UNRIVALLED ACCESS TO ASIA PACIFIC'S NGV MARKETS**

Established since 2008, NGV Transportation magazine has been serving the Asia Pacific region for the last 6 years. Moving forward, we are looking at even more ways to help develop this dynamic growth market:

LEADING CONTENT

NGV TRANSPORTATION combines leading editorial, circulation, and market intelligence to provide the environment your marketing message needs.

LONG TERM PRESENCE

NGV TRANSPORTATION develops long term brand awareness, promoting new products and delivering your information with a strong print presence.

TARGETED SOLUTION

NGV TRANSPORTATION is the industry's premier niche magazine giving you a targeted and efficient solution to communicate with your potential customers.

NGV TRANSPORTATION'S READERS REPRESENTS THE REGION'S LEADING DECISION MAKERS

NGV TRANSPORTATION is read by government policy makers, trade leaders, manufacturers, senior management from both international and local businesses and executives in the energy business.

REGIONAL REACH

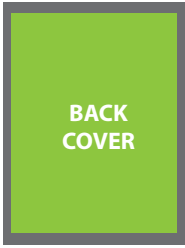

NGV TRANSPORTATION helps you to reach buyers, distributors and suppliers across the region including China, Indonesia, Iran, India, Myanmar, U.A.E., Australia, Singapore, Bangladesh, S. Korea, Malaysia, Thailand, Vietnam, Philippines and more.
